

Signature Cocktails

Murkutta 12.00

Tequila

In Aashesh's hometown, they whisper of the Murkutta — a headless spirit who rides through cornfields, spitting fire as it hunts you down. This drink feels just like that.

Sewing Kit – In Loving Memory 12.00

Whiskey

To the one who stitched us together with love and thread. You taught us to care, to craft, and to always carry a little sweetness in unexpected places. This one's for you.

Amnesia –??? 9.00

?

So where will people stand to wait for a cocktail?...they won't remember.

Play date (With Consequences) 9.00

Rum

It's creamy and comforting, but under the surface? There are three types of rum plotting your downfall. It's nostalgic, but twisted. Sweet, but dangerous. Like nap time... with fire.
